**Re: Request for Proposals to Assist in Updating the Regional Travel Demand Model and Preparing Additional Strategies to Consider in Meeting SB 375 Greenhouse Gas Reduction Targets for the 2020 Butte County Regional Transportation Plan & Sustainable Communities Strategy**

Dear Consultant:

The Butte County Association of Governments (BCAG) is seeking proposals from qualified consultants to assist in preparing the regional Travel Demand Model (TDM) and developing additional strategies to consider in meeting Senate Bill 375 (SB 375) greenhouse gas reduction targets for the 2020 Butte County Regional Transportation Plan (RTP) & Sustainable Communities Strategy (SCS). **Proposals are due to the BCAG office by no later than 3:00 PM, June 28th 2018.**

The TDM will be prepared in manner which complies with all recent legislation, including SB 375, and is subject to any new requirements established in the federal surface transportation reauthorization, federal clean air act, California Transportation Commission RTP Guidelines, California Air Resources Board SCS Review Guidelines, and California Environmental Quality Act. The final TDM and strategies will be used in preparing the 2020 RTP/SCS, which will be considered for approval by the BCAG Board of Directors in December 2020.

BCAG will be administering the contract. Interested consultants must have a demonstrated record of completing similar efforts.

Details concerning the scope of the proposed work and other information pertaining to the requested services are available in the Request for Proposals document at the BCAG website <http://www.bcag.org/> under the "RFP's" Link.

Inquiries concerning this request may be directed to Brian Lasagna, BCAG Regional Analyst at (530) 809-4616, between 8:00 A.M. and 5:00 P.M., Monday through Friday, or by email at [blasagna@bcag.org](mailto:blasagna@bcag.org).

Sincerely,

Brian Lasagna,  
BCAG Regional Analyst
