QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the RFP.

Item	Questions and Answers – 1-TRIPSPARK
1T.1	<p>Question: I wish to clarify our question 4T.3 from addendum 1. The question was requested as there is a 50 single side page limitation to the bidders' responses. If the total required documentation including forms and the technical non-compliance section 6.1.5 and Section 7 are way above 20 pages. (Forms alone are 18 pages), etc. are to be included it reduces the pages the bidders are able to provide as a response to BCAG. Would BCAG re-consider the page limitation?</p> <p>Answer: BCAG will consider no more than seventy (70) pages. BCAG is asking for the contractors to keep it on topic of creating the mobile app and how and/or what it will involve. If the contractor need to include brochures or highlighted illustrations to show their product and/or extra products, the contractor would need to keep it under 70 pages.</p> <p>Change to Section VIII-Proposal Submittal Conditions-Page 11-1st sentence of the 2nd Paragraph:</p> <p>Old language: 'The Proposal shall not exceed fifty (50) single-sided printed pages, excluding cover sheet, table of contents, index sheets and resumes.'</p> <p>Revised language: 'The Proposal shall not exceed seventy (70) single-sided printed pages, excluding cover sheet, table of contents, index sheets and resumes.'</p>
