

**Butte GIS Working Group
Meeting Notes
September 18, 2018**

Attendees:

Brian Lasagna, BCAG
Brad Pierce, City of Chico
Jim Aranguren, Butte County
Greg Hooper, Butte County
Kirk Anderson, Chico State
Darren Inks, Chico State
Gabriel Strelecki, Butte County

Meeting Summary

City/County/Agency GIS Programs

Butte County – GIS department recently added a new staff person (Gabe) and now have 3 fulltime positions. Department is currently working to set up ArcGIS Online sites for Public Works data management. Department is also getting ready to release an RFP for parcel fabric work.

City of Chico – Recently completed the Geocortex project and both internal and external sites are operational. Maintenance Management System (MMS) internal site is wrapping up as well. GIS division recently assisted with a land absorption study.

Chico State – Working with Tehama County in updating parcel fabric and roads. Moving to a new user interface for web maps. Sacramento River Recreation site has been updated and made available to the public. <https://www.sacramentoriver.org/>

BCAG – Will begin update of regional travel demand model to support the 2020 RTP. Chico State will be assisting with the update of the associated land use model.

Data Access

Chico State recently transitioned to a new format for distributing the parcel/roads/address dataset. Users will now be accessing via Box. BCAG will now be utilizing Google Docs for any data requests. The County would like to look at its current user agreement as it relates to CA Gov Code 6254.21.

Census LUCA

Several local jurisdictions completed the LUCA review this summer. CA DOF is currently allocating awards to those jurisdictions.

CA GIS Council Update

Brian provided an update of items discussed at the September 2018 meeting. Vice Chair elections are currently active.

Additional Items

- Mike Chenevey is no longer the ESRI rep for the region. Word is they are currently looking to fill this position.
- PG&E and the County are currently working together on a critical infrastructure dataset.

Presentation – None.

The next Butte County GIS Working Group meeting is tentatively scheduled for **Tuesday, November 13th, 2018, at 9:00AM in BCAG's conference room at 326 Huss Drive, Suite 150, Chico. This will be a joint meeting with the NV Regional GIS Group.**
