APPROVAL OF 2008 REGIONAL TRANSPORTATION PLAN (RTP) AMENDMENT #04 FOR VARIOUS PROJECTS TO ENSURE CONSISTENCY WITH THE 2009 FEDERAL TRANSPORTATION IMPROVEMENT PLAN (FTIP)

PREPARED BY: Ivan Garcia, Programming Manager

ISSUE: The 2008 Regional Transportation Plan (RTP) for Butte County is required to be amended to be consistent with the 2009 Federal Transportation Improvement Program (FTIP).

DISCUSSION: As a result of actions taken by the BCAG Board at the February 25, 2009 Board meeting, the requested amendment will ensure consistency between the long range RTP and the short range FTIP.

Staff will make the necessary changes in the RTP document as a result of the FTIP being amended through February 2010. This amendment does not affect the regional emissions analysis for air quality conformity. No other changes are proposed. All material concerning this amendment will be posted at BCAG's website at: <http://www.bcag.org/Planning/2008-RTP/index.html>.

This amendment also includes local projects that were submitted for programming in the FTIP that were not selected. This will facilitate future amendments to the FTIP should the original projects selected not meet their project delivery requirements or should additional funding become available.

STAFF RECOMMENDATION: Staff recommends the BCAG Board approve Amendment # 04 to the 2008 Butte County Regional Transportation Plan.
