All:

Attached please find an announcement that was placed in the local newspaper concerning the Draft 2008 Regional Transportation Plan. Staff will hold several workshops that step through the RTP and Air Quality Conformity Analysis and Determination.

This email is being sent to all individuals who have signed up to receive notification on the development of the RTP. If you have questions about the RTP or any other BCAG planning activity, staff would be glad to schedule an appointment at your convenience to discuss matters in more detail.

If you have any questions, please give me a call or send me an email.

Thank you.
