SUBJECT: BCAG MPO 2017 FTIP/FSTIP AMENDMENT NO. 1

Dear Mr. De Terra:

We have completed our review of Amendment No. 1 to the Butte County Association of Governments (BCAG) 2017 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated March 14, 2017. Amendment No. 1 to the BCAG 2017 FTIP was approved on February 23, 2017, by BCAG Board Resolution 2016/17-16. This BCAG FTIP amendment proposes to revise the funding for the individually listed Guynn Rd over Lindo Channel Bridge project.

Pursuant to the *December 15, 2014, Memorandum of Understanding between the Federal Highway Administration (FHWA), California Division, and the Federal Transit Administration (FTA), Region IX*, we accept the proposed modification to the 2017 FTIP/FSTIP for the BCAG Metropolitan Planning Organization (MPO) region in accordance with the *Final Rule on Statewide and Nonmetropolitan Transportation Planning; Metropolitan Transportation Planning*, that was published in the May 27, 2016, Federal Register. We find that the BCAG MPO's 2017 FTIP, including Amendment No.1, was developed through a continuing, cooperative and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. 134, and 49 U.S.C. Chapter 53 as amended by Public Law 114-94, the "*Fixing America's Surface Transportation Act*" (FAST Act).

The changes proposed to the Federal Statewide Transportation Improvement Program (FSTIP) by this amendment are associated with projects that are either exempt from the requirements to determine conformity pursuant to 40 CFR 93.126 or 93.127; or are proposed for implementation in areas of the State of California that are designated as attainment or unclassified for Federal Air

Quality Standards, and as a consequence, are not subject to the requirement that an air quality conformity determination be made.

If you have questions or need additional information concerning our approval of this FSTIP amendment, please contact Wade Hobbs of the FHWA California Division office at (916) 498-5027, or by email at Wade.Hobbs@dot.gov.

Sincerely,
