Honorable Chairperson:

The Butte County Association of Governments (BCAG) is the federally designated Metropolitan Planning Organization (MPO) and the state designated Regional Transportation Planning Agency (RTPA) serving Butte County. BCAG is responsible for developing all state and federal transportation plans and programming documents that are necessary to secure and program transportation funds within the region.

BCAG was formed through a joint powers agreement between the County of Butte and the incorporated Cities of Biggs, Gridley, Oroville, Chico and the Town of Paradise. BCAG is governed by a ten member Board of Directors comprised of the five county Board of Supervisors and one council person from each of the five incorporated cities. I currently serve as the Supervisor for District 1 and as Chair representing BCAG.

BCAG is committed to developing Government-to-Government relationships with the Tribal Governments within the Butte County region. BCAG would like to extend an invitation to your Tribe to attend and participate on our Transportation Advisory Committee (TAC), which typically meets on a monthly basis. The purpose of the TAC is to review and discuss BCAG's transportation planning activities and issues in a multi-jurisdictional planning forum. Representatives from Caltrans, the cities, Town and County participate on the TAC.

BCAG staff has commenced the development of the 2016 Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) for Butte County and is nearing

completion. This is a federally required long-range transportation planning document that is updated every four years. The purpose of this document is to identify Butte County's long-term transportation needs for all travel modes. The RTP/SCS will cover the period between 2016 and 2040. All projects selected for programming into the Regional Transportation Improvement Program (RTIP) and the Federal Transportation Improvement Program (FTIP) are required to be included in the RTP. An open house workshop has been scheduled to review the RTP/SCS for July 13, 2016 at 3 p.m. at the BCAG conference room located at 326 Huss Drive, Suite 150, Chico. This is another opportunity to come learn about the regional transportation planning process and provide any input or ask any questions you may have.

BCAG is also responsible for preparing, adopting and submitting a Federal Transportation Improvement Program (FTIP) to Caltrans, the Federal Highway Administration (FHWA), and the Federal Transit Administration (FTA). The FTIP is a programming document that identifies all transportation projects and programs that are funded with federal transportation funds or require some type of approval from the FHWA or FTA in Butte County. This programming document covers a four federal fiscal year cycle and is updated every two years. Projects identified in the FTIP typically include:

- streets and roads
- highways
- transit
- safety
- bridge reconstruction
- active transportation projects (federally funded bike and pedestrian projects)
- other programs that receive federal dollars or require some type of federal approval

Other items BCAG is developing include a formal document required by the FHWA and FTA to document BCAG's policy for Government-to-Government consultation with federally recognized Native American Tribal Governments. Attached to this letter is our draft document for your review and comment.

Lastly, BCAG has updated its own Public Participation Plan (PPP) which documents how this agency interacts with the public in relation to its planning and programming requirements. We've made minor changes to the existing PPP in place to update current legislation. A hard copy of the draft 2016 PPP is also attached along with the public notice we will post in the local newspapers.
