Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation has completed the review of the following amendment to the Butte County Association of Governments' (BCAG) 2019 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
------------	--------------------

3	State and Local Transportation Systems
----------	---

- This amendment modifies and adds projects in Butte County funded from the Active Transportation Program, State Highway Operation and Protection Program, Highway Safety Improvement Program and Highway Bridge Program. This amendment also provides BCAG's update to its Safety Performance Measure (PM1) and adds performance measure language to support BCAG's targets for Bridge and Pavement Conditions (PM2) and System Performance, Freight, and Air Quality (PM3).

See enclosure.

The BCAG Board Resolution adopting this FTIP amendment certifies that it is financially constrained, meets requirements of public involvement procedures adopted by BCAG and all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve BCAG's Amendment Number 3. I also recommend the Federal Highway Administration (FHWA) and FTA approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Please address any questions on this FSTIP approval request to Albert Soares of my staff, at (916) 653-7140.

Sincerely,

for

BRUCE DE TERRA
Chief
Division of Transportation Programming
