Subject: Butte County Association of Governments' Administrative Modifications No. 01 to the 2023 Federal Transportation Improvement Program

Dear Ms. Kahrs, Mr. Johnson, and Mr. Matley

On August 4, 2015, with the acknowledgment of the Butte County Association of Governments (BCAG) Board, the California Department of Transportation (Caltrans) delegated to the BCAG Executive Director the authority to approve Administrative Modifications to the Federal Statewide Transportation Improvement Program (FSTIP)/Federal Transportation Improvement Program (FTIP). This delegated authority is in accordance with the FSTIP/FTIP Amendment and Administrative Modification procedures.

The BCAG Executive Director has completed review of Administrative Modification No. 01 to the 2023 FTIP. The Executive Director finds that these proposed changes are consistent with the FTIP Amendment Policy adopted by the BCAG Board; therefore, approves these changes. BCAG certifies that the projects included in this modification are not included in any other amendment or modification to the 2023 FTIP currently out for public review or approval. BCAG staff reviewed the requests and has agreed to make administrative revisions to the 2023 FTIP reflecting changes to the projects below:

**Modification 01:**

**Grouped Projects for Safety Improvements - SHOPP Collision Reduction Program.** The purpose of this modification was to update the grouped listing to reflect a California Transportation Commission (CTC) time extension on project that should have carried into 23 TIP. The action taken by the Commission in June 2022 by Waiver 22-73 resulted in construction funds extending into the 2022/23 fiscal year. This project is a continuation from the 2021 FTIP period. This modification

adds back in PPNO 2216 - SR 32 Near Chico, from Gianella Rd to Muir Ave, Install lighting, widen shoulders, upgrade end treatments at bridge approaches and rehab culverts.

**Grouped Projects for Bridge Rehabilitation and Reconstruction - HBP Program.** The purpose of this modification was to update the grouped listing to the list provided by Caltrans HQ dated 10/24/22. This list reflects the adding of the following projects to the grouped listing:

1. Bridge No. 12C0009L Skyway Rd WB, Over Butte Creek, 0.5 mile southeast of Humbug Rd. The scope of the project is to replace a 2-lane bridge with a new 2-lane bridge.
2. Bridge No. 12C0022, Oroville Gridley Hwy over Feather River , 1 mile east of Larkin Rd. This is a Standalone Scour Countermeasure Project.
3. Bridge No. 12C0301, Cana Hwy over Pine Creek, 4 Mile west of State Route 99. This is a Standalone Scour Countermeasure Project

This modification also:

4. Advances Bridge No. 12C0242, Ord Ferry over Little Chico Creek from FY 24/25 to FY 22/23 Per Caltrans at the request of Butte County from the 2024/25 fiscal year to the 2022/23 fiscal year without change to funding identified in the 10/24/22 grouped listing.

BCAG concurs with the approval of these administrative modifications because:

- 1) The change in total funding is within the allowable threshold identified in the FSTIP/FTIP Administrative Modification and Amendment Procedures;
- 2) The projects are existing projects already included in the regional emissions analysis as appropriate and therefore does not warrant a new analysis; and
- 3) The proposed project changes do not interfere with timely implementation of any approved TCMs.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. This administrative modification relies on the FSTIP financial capacity. The financial constrain documentation will be updated to reflect changes made by this administrative modification in the next formal amendment. It should be noted that the changes to these projects does not require a re-determination of the air quality conformity analysis.

Under the delegated authority received from Caltrans, Administrative Modifications do not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Modification has taken place. If you have any questions, please contact Mr. Ivan Garcia, Programming Manager for BCAG directly at 530-809-4603 or by email at [igarcia@bcag.org](mailto:igarcia@bcag.org).

Thank you all for your assistance.

Sincerely,

Jon A Clark,  
 Executive Director
