

PUBLIC NOTICE

The Butte County Association of Governments (BCAG) is designated by the U.S. Department of Transportation (DOT) and the U.S. Environmental Protection Agency (EPA) as the Metropolitan Planning Organization (MPO) for Butte County and its incorporated cities. As the MPO, BCAG is required to prepare a Federal Transportation Improvement program (**FTIP**) every two years and a long-range Regional / Sustainable Communities Strategy (RTP/SCS) every four years. The purpose of the FTIP is to identify all transportation-related projects that require federal funding or other approval by the Federal Highway Administration (FHWA) or the Federal Transit Administration (FTA). The FTIP identifies all non-federal, regionally significant projects for information and air quality emissions modeling purposes. The FTIP indicates the area's short-term plan for use of federal dollars and other resources for the maintenance, operation, and improvement of the transportation system and the achievement of federal air quality standards over the next four federal fiscal years.

Notice is hereby given that the BCAG Board of Directors has scheduled a public hearing to adopt the 2023 Federal Transportation Improvement Program and Air Quality Conformity Determination. The FTIP includes the new regional emissions analysis for air quality conformity analysis approved in the 2020 RTP/SCS on December 10, 2020 by the BCAG Board. All material is posted on BCAG's webpage at: <http://www.bcag.org/Planning/FTIP/index.html>. The public involvement activities and time established for public review and comment for the FTIP satisfy the POP requirements of the FTA including the 5307 Program. The public hearing has been scheduled during the regular BCAG Board of Directors meeting on Thursday, September 22, 2022 at 9:00 a.m. The meeting zoom link is posted below and the link referenced above. Individuals are welcomed to attend in person. Public Health Social Distancing recommendations are practices and face masks may be required. Staff will also be attending the Chico Farmers Market on September 1, 2022 and available to share information on the FTIP and other BCAG planning and programming activities such as the RTP/SCS.
