

## **SR 99 SIGNALIZATION AT RICHVALE HIGHWAY**

---

<b>Purpose:</b>	Safety and Operation at State Route 99 and Richvale Highway
<b>Description:</b>	This project improves the intersection at SR 99 and Richvale Highway by installing a signal, widening the approach roadways for more capacity and improving site distance.
<b>Funding:</b>	Regional Improvement Program (RIP) State Highway and Operations Protection Program (SHOPP)
<b>Sponsoring Agencies:</b>	California Department of Transportation Butte County Association of Governments (BCAG)
<b>Contact Person:</b>	Andy Newsum, Deputy Director
<b>Status:</b>	Project Construction to begin in Spring of 2007
<b>Cost:</b>	\$1 million
