### TRANSPORTATION ENHANCEMENTS IN THE 2004 STIP

**PREPARED BY:** Iván García, Programming Manager

**ISSUE:** As part of the 2004 RTIP, the BCAG Board approved the programming of “lump sum” budget targets for Transportation Enhancement (TE) projects. Staff requested local agencies prepare and submit a project application(s) for the first round of TE projects by Friday April 30<sup>th</sup>.

**STAFF ACTION / DISCUSSION:** Staff will distribute at the committee meeting a summary and preliminary recommendations. Because this memorandum was prepared before the deadline, staff will review the applications the first week of May.

Once a project is recommended for programming, in addition to informing Caltrans and the California Transportation Commission, the BCAG Board is required to program this project in the 2004 FTIP.
