

Butte GIS Working Group
Meeting Notes
April 11, 2023

Attendees:

Brian Lasagna, BCAG
Kirk Anderson, Chico State
Spencer Mallinger, CalFire
Leroy Christopherson, City of Chico
Kelly Allen, City of Chico
Bill Allen, Butte County
Gabriel Strelecki, Butte County

Meeting Summary

City/County/Agency GIS Programs

Chico State – Kirk provided the following information:

- Working with Town of Paradise on Accela implementation and flood zone mapping.
- Continued to assist Paradise Parks and Recreation District with mapping.
- Starting project with the City of Chico to update sewer line and right-of-way data.

Butte County – Gabe and Bill provided the following information:

- Continued assisting county with Accela software transition.
- Developing new internal and public facing web applications.
- Preparing new hard-copy maps for the Board or Supervisor's.
- Assisting Elections Department with training and map updates.
- Testing Survey 1-2-3 and Dashboard for potential future use.
- Updating datasets for the Magalia Plan update
- Continued parcel updates.

CalFire – Spencer provided the following information:

- The department is utilizing dashboards for relaying information to the public.
- Working with Fire Safe Council to track vegetation management projects.
- Working on a public facing fuel models and projects site.
- Utilizing CalMapper mobile to provide detail fuels data in the field.
- Looking for potential sources of building footprint data to incorporate in fire model. The group mentioned the availability of a Microsoft product which may be up to date.
- Continued evacuation maps update.

City of Chico – Kelly and Leroy provided the following information:

- Working with Chico State on sewer maintenance and right-of-way dataset updates.
- Converting to ESRI Enterprise licensing platform.
- The Engineering Department has a new director.

BCAG – Brian provided the following information:

- Continued work with Chico State on annual regional dataset updates and new land use model.
- Beginning project to update BCAG’s Plug-In Electric Vehicle Plan and associated maps.

CGIC Community Council (aka CA GIS Council)

The council last met in March 2023 and is now recognized as the CGIA Community Council. Meeting notes linked below.
