Notice of Workshop: Help Shape the Future of Regional Transportation in Butte County

The Butte County Association of Governments invites input on the Draft 2027 Transportation Improvement Program (TIP) and the Draft Transportation-Air Quality Conformity Analysis for the 2027 TIP.

The [Draft 2027 Transportation Improvement Program \(TIP\)](#) is a funding document that helps implement the policy and investment priorities expressed by the public and adopted by BCAG in the [Regional Transportation Plan / Sustainable Communities Strategy](#), the region's long-range plan. Updated every two years, the TIP reflects the region's near-term transportation investment priorities and helps the largest and most significant projects and programs become a reality. It includes projects that support all modes of travel, such as transit, highways, bridges, local streets and roads, biking, walking and freight movement.

The Draft Transportation-Air Quality Conformity Analysis for the 2027 TIP also is available for public review and comment. The Conformity Analysis demonstrates that both the TIP and the plan comply with federal transportation air quality regulations.

**View and comment on the TIP and the Conformity Analysis
online at: www.bcag.org/ftip.**

The public comment period will now remain open through 5 p.m., Friday, September 11, 2026.

Written comments will be accepted via the comment form on the TIP webpage via email to igarcia@bcag.org and blasagna@bcag.org (include "Draft 2027 TIP Comments" in the subject line), or via mail to BCAG, Attn: Draft 2027 TIP Comments, 326 Huss Drive, Suite 150, Chico CA 95928.

In addition, this notice serves to satisfy the public involvement requirements of the Federal Transit Administration (FTA) annual Program of Projects, for applicable funds.

A public workshop has been scheduled via zoom to answer questions and discuss any matters concerning the 2027 FTIP and Conformity Analysis. The workshop has been scheduled **for August 12, 2026 from 6 p.m. to 7 p.m.** This will be an open house style workshop with a brief presentation at 6 p.m. The zoom link is posted, [here](#).
