Subject: Butte County Association of Governments' Administrative Modifications No. 08 to the 2025 Federal Transportation Improvement Program

Dear Mr. Kang, Mr. Valencia and Ms. Ruan,

On August 4, 2015, with the acknowledgment of the Butte County Association of Governments (BCAG) Board, the California Department of Transportation (Caltrans) delegated to the BCAG Executive Director the authority to approve Administrative Modifications to the Federal Statewide Transportation Improvement Program (FSTIP)/Federal Transportation Improvement Program (FTIP). This delegated authority is in accordance with the FSTIP/FTIP Amendment and Administrative Modification procedures.

The BCAG Executive Director has completed a review of Administrative Modification No. 08 to the 2025 FTIP. The Executive Director finds that these proposed changes are consistent with the FTIP Amendment Policy adopted by the BCAG Board and therefore approves these changes. BCAG certifies that the projects included in this modification are not included in any other amendment or modification to the 2025 FTIP currently out for public review or approval. BCAG has made the following administrative revisions to the projects in the 2025 FTIP described below:

**UPDATES TO EXISTING EXEMPT FTIP PROJECTS & GROUPED LISTINGS:**

- 1. Federal Transit Administration Section 5310 Program Grouped Listing** – The purpose of this modification was to update the grouped listing for FTA Section 5310 vehicles approved on 03/19/2026 by the California Transportation Commission (CTC) for Help Central Inc.,

**BCAG 2025 FTIP Administrative Modification No. 08**

**June 26, 2026**

**Page 2**

---

Mobility Management Project for \$296,000 with \$74,000 in toll credits. No other changes were made. This project was inadvertently omitted from BCAG's 2025 FTIP Modification #5.

BCAG concurs with the approval of these administrative modifications because:

- 1) The change in total funding is within the allowable threshold identified in the FSTIP/FTIP Administrative Modification and Amendment Procedures;
- 2) The projects are existing projects already included in the regional emissions analysis as appropriate and therefore does not warrant a new analysis; and
- 3) The proposed project changes do not interfere with timely implementation of any approved TCMs.

Revisions have been made to California Transportation Improvement Program (CTIPS) database and are reflected in the enclosure. This administrative modification relies on the FSTIP financial capacity. The financial constrain documentation will be updated to reflect changes made by this administrative modification in the next formal amendment. It should be noted that the changes to these projects does not require a re-determination of the air quality conformity analysis.

Under the delegated authority received from Caltrans, Administrative Modifications do not require Federal Highway Administration, Federal Transit Administration or Caltrans approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Modification has taken place. If you have any questions, please contact Mr. Ivan Garcia, Programming Director for BCAG directly at 530-809-4603 or by email at [igarcia@bcag.org](mailto:igarcia@bcag.org).

Thank you all for your assistance.

Sincerely,

Andy Newsum  
Executive Director
